

Packer Preview 2019

Dear Parent(s)/Guardian(s),

The South St. Paul Secondary's Packer Preview program for the summer of 2019 has officially been approved. This program is designed to help your son/daughter with the transition to the secondary building and strengthen their social skills. The program is sponsored by Targeted Services and offered free of charge to our families. We would like to provide an opportunity to give your incoming 6th grader a jump start to the school year. The program is scheduled to be held at the South St. Paul Secondary Building and we are planning to hold a 2 week session for incoming 6th graders. We hope you can attend!

The program will include:

- ▼ A preview of the Middle Years Program (MYP) curriculum that includes: Math, Language and Literature, Science, Individuals and Societies, Design, Physical Education/Health, Language Acquisition and Art
- ▼ Social opportunities for students to connect with staff and students from other elementary buildings
- ▼ Scavenger Hunts, combination lock relay races, and team building activities to calm the transition anxiety into the building and the new school year
